## PRICE LIST

### Spring 1932

---

#### IMPORTANT—PLEASE READ CAREFULLY

**QUALITY:** My stock is all grown on new ground from bulblets and young, vigorous bulbs, chemically treated before planting. This, combined with the excellent soil, moderate climate and long growing season of this section, and an abundance of water supplied by an overhead sprinkling system, produces bulbs of the highest quality. I am licensed by the State Board of Agriculture, by whom my stock is inspected during the growing season and again in storage before shipment.

**GUARANTEE:** All stock sent out is guaranteed to be healthy, free from Thrip, true to name and in good condition when shipped. No warranty is given, however, as to crop results, as growing conditions are beyond my control. If any stock bought from me is not entirely satisfactory when received, return it and the purchase price will be refunded or the stock replaced, as purchaser elects. Bulbs not blooming true to name will be liberally replaced. My customers **MUST** be satisfied.

**TERMS OF SALE:** Cash with order or 25% deposit; balance C. O. D. if not paid at time of shipment. Orders for less than \$5.00, cash with order.

All orders accepted subject to prior sale or causes beyond my control.

No substitution of varieties will be made except on request, but, unless forbidden, will send equal value in size other than ordered when size ordered is sold out.

**DISCOUNTS:** Single bulbs at one-tenth of the dozen price, but no item less than 10c; six at the dozen rate; two or more dozen one size and variety, 10% discount.

25 bulblets at the 100 rate, but no item for less than 10c; 250 at the 1000 rate. For 1000 rate multiply 100 price by 8.

5% off for cash with order on orders of \$5.00 or more.

When discount is not deducted, additional stock will be sent.

**EXTRAS:** I do not promise you a whole lot of "something for nothing" extra with your orders, folks, like many growers do, but DO assure you, absolutely, of good, honest value for your money, always.

Send me the names and addresses of your friends who grow Glads, and I will add something to your order for the trouble. Suggest what you would like and your wishes will be complied with, if possible.

**SHIPMENT:** Orders for \$1.00 or more will be sent prepaid, safe delivery guaranteed. On orders for less than \$1.00, add 25c for postage. Orders for \$10.00 or more will be sent by express at any time; others as weather permits or at buyer's risk.

\* Price per each

**STOCK IN QUANTITY:** Many of the varieties listed herein can be supplied in standard sizes and bulblets in quantity. Send want list for special quotations. I can save you some money.

**MIXED BULBS:** I do not grow bulbs in mixture, but will make up special mixtures from regular stocks as orders come in, using only good, clean blooming size bulbs, the number of colors depending on the quantity ordered. Or, if you like, state colors preferred and I will do the rest. Good value assured in either case.

25 bulbs for \$1.00; 50 for \$1.50; 100 for \$2.50.

Stock in many varieties is limited, so would advise you to order early.

See front page for Terms of Sale, Discounts, Shipment, etc.
